

SAMPLE DATA PROCESSING AGREEMENT

**** DEMONSTRATION DOCUMENT - NOT A BINDING AGREEMENT ****

This is a sample placeholder used to demonstrate the Comply.org public DPA hosting convention. It is not attributed to any vendor and carries no legal effect.

A real vendor DPA published here would be the vendor's own proposed/standard Data Processing Agreement, hosted with their written consent, and linked from their public attestation via the `dpaUrl` field.

Storage convention:

attest repo path: `dpa/<slug>.pdf`

public URL: `https://attest.comply.org/dpa/<slug>.pdf`

Generated for prototype demonstration only.
